Emma's next adventure

QSL Grower Relationship Officer for the Plane Creek and Proserpine districts Emma Sammon finished with our business today as she prepares to welcome her first child. We wish her all the best in her new role as a mum and remind her growers that Grower Relationship Officer Kathy Zanco is available to provide local support and assistance and can be reached on **0437 645 342.**

Adjustments for Burdekin growers

This week's QSL payment run included an end-of-season CCS adjustment for Burdekin growers. Growers who also received a rake amendment had these combined with the CCS adjustment, and so will only receive one statement for both transactions.

Third Party Harvest-Year Statements for lien recipients

Statements capturing only transactions for liens (i.e. third-party payments by farm) for the harvest year are now available for QSL Direct Pricing Managers. These new statements differ from the Grower Ledgers already available through QSL Direct in that they only contain transactions for the one season for the lien recipient only. To request a Third Party Harvest-Year Statement, please contact the QSL Direct team by calling 1800 870 756 or emailing qsldirect@qsl.com.au.

QSL Market Update

Last week was extremely quiet on the sugar front, with the US holiday for Thanksgiving slowing down the market towards the end of the period and driving the ICE 11 lower to close the MAR19 contract at 12.47c/lb. A sharp fall in oil prices and the equities market pushed the AUD off the previous week's highs of 0.7338 down to 0.7202 before stabilising ahead off the US holiday, ending the week at 0.7240.
