QSL Weekly Update

Welcome to your weekly overview of key QSL news and information.

App ushers in new era

Got the new QSL app yet? It's a first for our industry and has been designed to give Queensland cane growers simple and secure access to the global sugar market via phone or tablet. You don't need to have a QSL Direct account to use it

and it's available free to anyone through the App and Google Play stores. Key features include:

- Global sugar prices, including QSL's Target Price and Individual Futures Contract prices for the current season through to the 2022 Season.
- Indicative QSL pool values
- Fast and secure access to your QSL Direct account via PIN, fingerprint or face recognition
- Details of your pricing choices and declarations for current and future seasons (QSL Direct growers only)
- The ability to make, edit and cancel your QSL sugar pricing orders (QSL Direct growers only)
- Calculators to quickly make common cane and sugar conversions, including cane tonnes to GEI Sugar tonnes, \$/tonne of cane to \$/tonne of sugar, and actual tonnes to IPS tonnes.
- Regular market and QSL news updates and notifications
- Quick contacts to reach QSL

September: Marketing sessions in the regions

The QSL Marketing team will be visiting the regions again in September with plenty of opportunities to book in for an on-farm shed meeting (get your friends and neighbours together) or one-on-one appointments in our offices, and also on-farm. Please contact your local QSL Rep for further information and to make an booking. Thank you to everyone who attended our recent sessions with QSL Treasury Manager Ginette Barrett.

2018-Season results

QSL has finalised its results for the 2018 Season, with the 2-Season Forward Pool being our best ICE-11 performer in what was a tough year for raw sugar prices.

QSL Market Update

The Reserve Bank of Australia (RBA) remained on hold at 1.00% Tuesday (last week), but a surprise 50bps (basis points) cut by the Reserve Bank of New Zealand (RBNZ) on Wednesday saw the Kiwi Dollar sell off aggressively and the Aussie Dollar fall in sympathy posting a 10-year low of 0.6677.
