

FARMERS UNITED – STATE ELECTION CAMPAIGN

Recent article in relation to Farmers United campaign leading up to next months' state election is attached. Kalamia Cane Growers Organisation Ltd has representation on the board of Farmers United with your organisation committing funding to the campaign with the aim of repealing of reef/vegetation management regulations and implementation of science quality assurance on which policy decisions are made.

Additional information/media releases can be sourced via Farmers United webpage by [clicking here](#).

Farmers United have also established a gofundme page should members wish to make a financial contribution on their own behalf. Gofundme can be accessed by [clicking here](#).
