If you've ever been bamboozled by a funding application form, or not known where to start when it comes to seeking grants, or you've written grants for years but lost all motivation to try again, then this event is for you.

This interactive workshop will lead participants through a logical and light-hearted process for assessing eligibility, reality-checking likelihood of receiving funding and turning a project idea into a solid plan that funders will LOVE.

Facilitator **Samantha Morris** from Wombat Creative, is a professional grant writer with 30 years' experience working on projects just like yours.

Funded by the Enhanced Extension Coordination in GBR project through Queensland Government Reef Water Quality Program.
